Dear Our Valued Customers,

**Re: CONTAINER MANAGEMENT SURCHARGE (CML) for Asia – East Asia Trade
W.E.F 14TH DECEMBER 2020.**

As you may know, Ocean Network Express (ONE) is facing serious shortage equipment especially 40GP and 40HQ to serve cargo out of Vietnam. In order to maintain our service quality providing to customers, we have to arrange many empty boxes to Vietnam and of course, it has caused our much increase in operational cost. Therefore, ONE would like to apply the CONTAINER MANAGEMENT SURCHARGE under East Asia Trade for all new / existing contracts to recover some of this incurred cost.

For tender business, please kindly check with ONE sales representative respectively.
