Notice of Surcharge Update

Dear Valued Customer,

Thank you for your continued support and for choosing Ocean Network Express (ONE) to cater to your needs.

Due to evolving industry standards and the increasing prevalence of shipments with multiple HBLs, we are updating our surcharge calculation to more accurately reflect the associated costs. For shipments utilizing the F11 filler type (Carrier Filing: Master BL + House BL + Buyer/Seller) that involve one Master Bill of Lading and one or more House Bills of Lading, the Entry Summary Declaration Surcharge (ESD) will now be applied based on the total count of these documents.

The ESD (Entry Summary Declaration Surcharge) will be applicable from all import shipments to Europe across all trade lanes and services and will be valid till further notice.

Applicable Charge:

Charge Code	Charge Code Name	Bound	Cur.	Quantum	Applicable
ESD	ENTRY SUMMARY DECLARATION SURCHARGE	Import	VND	950,000	Sum of M'BL + H'BL

Effective Date:

Non-FMC regulated trades	13 Jun, 2025
FMC regulated trades*, Canada	13 Jun, 2025
(*United States, American Samoa, Puerto Rico, Guam, Saipan, Hawaii)	

We would like to take this opportunity to thank you for supporting ONE and look forward to continuously serving your global transportation needs.

For cargo to/from Europe/Mediterranean:

Latest Basic Ocean Freight rates, Bunker Related Charges, THCs (origin or destination), Security Related charges, Peak Season Surcharges (if applicable) can be accessible at our website:
